

## **INFORMATION ON THE PROCESSING OF PERSONAL DATA** **COMING SOON**

Ener2Crowd S.r.l. S. B. (hereinafter E2C or Data Controller) issues to the Data Subject, i.e. the person to whom the personal data refer, the following information pursuant to Article 13 EU Regulation no. 2016/679 of 27 April 2016 (hereinafter GDPR) on the protection of individuals with regard to the processing of personal data. The purpose of this information is to describe the characteristics of the processing carried out in relation to the personal data provided by the Data Subject and the measures adopted in order to protect their rights.

This policy is released on the E2C website ([www.ener2crowd.com](http://www.ener2crowd.com), hereinafter the Site), in the section dedicated to contacts.

### **Data Controller**

The Data Controller is Ener2Crowd S.r.l. S. B. with headquartered in Corso Indipendenza n. 1, 20129 Milan - P.IVA 105850965 - Holder's e-mail: [privacy@ener2crowd.com](mailto:privacy@ener2crowd.com)

### **Data subject to treatment**

The Data Controller essentially collects the following personal data:

- Email

### **Purposes of the treatment and storage time**

Personal data will be processed for the following purposes:

- a) Meet a request from the interested party and be updated on the opening of the crowdfunding campaign. The data collected will be kept until the Purpose is achieved and in any case for a period of time not exceeding 3 months.

### **Why the treatment we perform is lawful**

The processing is lawful because it is based on the following legal bases:

- execution of pre-contractual measures adopted at the request of the interested party.

### **Treatment modalities**

The personal data are processed for the pursuit of the Purposes indicated in this information on electronic media.

### **Compulsory or optional nature of data provision**

The provision of data for the purpose stated in letter (a) is **compulsory** and refusal to provide such data will make it impossible for the Data Controller to respond to your request for information.

### **Categories of subjects to whom personal data may be communicated**

The processing of personal data provided to us may be carried out in accordance with the principle of strict necessity of treatment:

- by the employee staff of the Data Controller, who act and process the data under the authority and instructions of the same, pursuant to Article 29 of the GDPR or the employee staff designated by the Data Controller, pursuant to Article 2 *quaterdecies* of Legislative Decree no. 101/2018.
- By natural or legal persons whose right to access the personal data of the interested party is recognized by legal provisions provided for by the law of the European Union or Italian law, such as, by way of example, competent authorities and/or supervisory bodies for the fulfillment of legal obligations, and public administrations for their institutional purposes.
- By natural or legal persons of which the Data Controller avails itself for the performance of activities instrumental to the achievement of the Purposes (such as, for example, software suppliers, cloud partners, datacenters, IT consultants). Third parties who access the data, will do so in compliance with current legislation on the protection of personal data and the instructions given by the Data Controller and will in any case be appointed by the Data Controller, External Data Processors.

A list of Data Processors is available at the Data Controller's registered office.

### **Data dissemination**

The data processed will not be disseminated under any circumstances.

### **Rights of the interested party**

The GDPR guarantees the Data Subject specific rights, and the Data Subject may exercise the following rights for each processing:

- **Right of access:** you have the right to obtain a copy of the personal data we hold and process.
- **Right to rectification:** you have the right to rectify the personal data held by the Data Controller if they are not updated or correct.
- **Right to object to** the processing of personal data for commercial purposes: you may request that the Controller cease sending commercial communications at any time.
- **Right to object to** decisions based on exclusively automated processes: you may request

not to be the recipient of decisions made on the basis of exclusively automated processes, including profiling.

- **Right to revoke** a consent given: you have the right to revoke the consent given for a specific processing at any time.
- **Right to apply to the Guarantor Authority for the protection of personal data:** you have the right to apply to the Guarantor Authority for the protection of personal data if you have any doubts about the processing of personal data carried out by the Data Controller.

The Data Controller may also exercise the following rights under certain circumstances:

- **Right to erasure:** may request that the Data Controller erase the personal data of the Data Subject if the purposes of the processing have ceased and there are no legitimate interests or rules of law that require its continuation.
- **Right to object to processing:** you may request that the Data Controller cease to carry out a particular processing operation on your personal data.
- **Right to restrict processing:** has the right to request that the Data Controller limits the processing operations on the personal data of the Data Subject.
- **Right to data portability:** you have the right to obtain a copy of your data in a commonly used, machine-readable structured format from another Data Controller.

To exercise each of the aforementioned rights, the interested party may send an e-mail or write to the following address specifying the request and providing the Data Controller with the information necessary to correctly identify the sender (also attaching a copy of the identity document) at the following addresses:

- by mail: Ener2Crowd S.r.l. S. B. with head office in Corso Indipendenza n. 1, 20129 Milan
- via e-mail: [privacy@ener2crowd.com](mailto:privacy@ener2crowd.com)

E2C will respond within one month. If for some reason the Data Controller is unable to respond, it will provide a detailed explanation as to why it cannot fulfill the request.
